### Melamine Statement

The above mentioned catalog does not use or add melamine to the manufacturing process and is considered melamine-free.

## Nitrosamine Statement

Based on knowledge of the manufacturing process, we assess that the risk of nitrosamine presence in the above-mentioned catalog item is low. Sodium nitrite is used during the earlier steps of the manufacturing process; however the risk of nitrosamine formation is low, with only primary amines present. Additionally, subsequent washes and purifications carried out during the manufacturing process significantly reduce the potential for sodium nitrite residues to be present in the finished product. Cleaning procedures are in place to mitigate the potential for cross-contamination.

## Animal Testing Statement

The above mentioned catalog item has not been tested on animals.

## Organic Compliance Statement

The above mentioned catalog item has not been produced using GMOs, irradiation, ethylene oxide (EtO) or sewage sludge.

## Shelf Life Statement

The above mentioned catalog item is typically assigned a shelf life of 72 months from the date of manufacture. The actual assigned shelf life for any specific lot should be referenced on the Certificate of Analysis.
